MEETING REQUIREMENTS:

Photographs and video may be taken at this symposium and related social activities. By registering for this event, you agree to allow ASABE to use your image in any ASABE-related publication or promotion, whether digital, print, or video. This permission extends to all travel companions, including minors. I have read and will comply with the ASABE Harassment Policy. This policy is available online at www.ASABE.org in the Events menu.

REGISTRATION OPTIONS

PART 1} Full-week registration includes access to the welcome reception, all technical sessions, coffee breaks, lunches, and dinner. It also includes the field trip on Tuesday and the programming at the University of Puerto Rico, Mayaguez on Wednesday.

One-Day registration includes only the mentioned events above that occur on the day you register for.

*Symposium presenters must be registered by OCTOBER 1 to guarantee their presentation in the program.

Table with 3 columns: Registration Option, Prior to December 14, ONSITE January 8-12. Rows include Full Week Attendee, One Day Attendee, Full Week Symposium Presenter*, and Full Week Student*.

PART 2} Activities-included with your full week registration. Check that you will or will not attend and if you want a vegetarian lunch option. One day registration includes the day you are attending only.

Table with 4 columns: Activity, I will attend, Vegetarian meal option, I will not attend. Rows list activities from Sunday, January 8 to Friday, January 13.

Extra lunch (\$45) and dinner (\$60) tickets are available for travel companions. Indicate using a "2" in that field and add to payment total on right. Field trip and the day at the University require a 1-day registration.
